MAINTENANCE  
SYSTEM

**LOLER, MAINTENANCE AND  
REPAIR SERVICES:**

At Andway we have invested heavily in the latest simPRO software and now operate a fully integrated field and site based system giving you:

- A dedicated client portal to keep track of all records, reports, upcoming service visits, LOLER inspections and repairs,
- Full asset register capability per site,
- Complete overview and control of your assets including maintenance/repair records,

simPRO is free and easy to use and allows you to manage all your critical servicing and maintenance information on one platform, 24/7.

**ANDWAY SERVICES INCLUDE:**

- LOLER Inspections,
- Bed & Mattress Audits, Repairs and Decontaminations,
- Weighing Scale Repairs & Calibrations,
- Repairs & Maintenance to Baths, Wheelchairs, Stairlifts,
- Repairs & Maintenance for Electrical, Manual, Ceiling and Free Standing Hoists,
- Emergency Bed, Mattress and Hoist Loan Service.
